DID YOU KNOW?

Yas Viceroy is located on Yas Island, a natural island measuring 7.5 by 6.5 km. As well as Yas Marina Circuit, the island features Ferrari World Abu Dhabi (the world's largest indoor theme park), Yas Links Abu Dhabi- an 18 hole Links Championship golf course, a VIP marina, Yas Marina & Yacht Club, Yas water world and Yas Mall, a super-regional retail experience.

The Gridshell of the hotel is a 219 metre expanse of sweeping steel and 5,096 diamond shaped glass panels, which provides a 'veil' that drapes over the two hotel towers, linked by a bridge that crosses the Grand Prix circuit.

Skylite and Rush are the first Georges V concept bars in Abu Dhabi, the visionaries behind the renowned Buddha Bar brand. Rush is the only nightclub in the world that is built over a F1 racetrack.

The two exclusive duplex Presidential Suites offer panoramic views, private chef's kitchen, dining room, outdoor terrace with private pool and a private lift with direct access to a personal treatment lounge at the spa, with its own hammam steam room.

Visiting guests can experience Seawings, a breathtaking seaplane excursion across Abu Dhabi with a thrilling water take-off and landing at Yas Marina, whilst enjoying the panoramic views of the capital city's iconic architecture and stunning landscape.

Yas Viceroy offers complimentary transfers and access for guests to Yas Beach on Yas Island, only a stone's throw from the hotel.

Yas Viceroy was recognised as a 'Verified Corporate Hero' by Emirates Wildlife Society, in association with WWF in 2014. The award is in line with the hotel's commitment to the 'Heroes of the UAE' programme designed to encourage all sectors of society across the UAE to reduce their carbon footprint.
