DID YOU KNOW?

Bengaluru is India's third-largest city and has also been judged by recent surveys as one of the most live-able metropolitan cities in the country. It is the IT hub of India and has become a preferred destination for college students and IT professionals.

Due to its moderate climate guests are encouraged to carry a sunscreen and light jacket, which would suffice for the city's climate throughout the year.

It is hard for one to miss the many gardens, and joggers' parks in the city.
