## DID YOU KNOW?

Houseboats and Backwater cruises - The houseboats of Kerala, or Kettu Vellam, are without doubt one of the most exciting excursions. These boats, traditionally used to carry goods, are built with great precision out of Jackwood, without using a single nail and are either rowed by oarsmen or powered by engines. These giant boats come furnished with living rooms, bedrooms, modern toilets, kitchenettes and balconies—for angling. All of them have a crew comprising a cook, guide and oarsmen. Spend a day gliding along the backwaters, flanked by green palm groves, truly a one-of-its-kind experience, a chance to witness rural Kerala from up close

Village Life - Allow the hotel concierge to arrange a tour of Kovalam, travel right into the heart of rustic Kerala. Get the feel of village life amidst self-sufficiency, travelling between Thanal Zero-Waste Centre, the Dairy Farm and the Creche. Get a fresh perspective on art with a visit to the Kathakali mask unit. The tour also features a visit to

see the coconut-shell products and copra units, as well as the weaving unit in the village. Visit the Vellayani Lake, the vegetable farms, the Vizhinjam Fishing Harbour and the YDM Kalari Sangham

Learning Southern delights - For those hoping to learn some local culinary skills, the hotel offers two opportunities - The Cookery Show @ The Terrace, a lively session where would be chefs are taught the art of making soft and lacy Appams with an accompaniment of lightly spiced yet hearty stew. Then, learn the knack of making the most delicious chutneys through an experience that is nothing less than magical. (Classes are chargeable)
