### KEY FACTS

Playa del Carmen is situated in the heart of the Riviera Maya, known for its fantastic beaches. Purobeach is located on the rooftop of The Fives Downtown Hotel, a newly built lifestyle boutique hotel in Playa del Carmen's most exclusive zone.

This beach club is the perfect place to spend the day, starting with a massage and followed by a refreshing swim in the infinity pool which overlooks the Caribbean sea. Then soak up the sunshine while sipping on a refreshing cocktail.

The menu and dishes are casual and fresh, inspired by Puro's M3 gastronomic concept, inspired by the flavours of Miami, Marrakech and Melbourne. At the bar, Purobeach's mixologists create a superb variety of classic and tropical cocktails. Their wellness concept offers healthy options including Asian woks, salads and juices.

Puro's resident DJs create a sophisticated atmosphere with the finest downtempo tunes in the morning, lounge music in the afternoon, and the best in deep house and nu-disco at sunset.

The pool deck has 36 sunbeds and five Balinese beds.
