

MASONROSE

The Little Nell, Aspen

The Little Nell, Aspen

KEY FACTS

The Little Nell is located at the base of Aspen Mountain. Its location in the heart of downtown makes it perfect for exploring the exclusive shopping, dining, nightlife and galleries that Aspen has to offer.

The hotel offers 92 rooms in total. 78 guest rooms featuring a contemporary 'Aspen Aesthetic' design. There are 14 suites with balconies offering breathtaking views.

There are two restaurants. element 47, headed up by Executive Chef Matt Zubrod, offers soulful contemporary American cuisine all day and boasts an award winning wine cellar and celebrated sommelier. Slopeside Ajax Tavern provides bistro dishes and signature Ajax Double Cheeseburgers, Gruyere fondue and truffle fries.

Exclusive ski programmes include 'First Tracks', which enables guests to access Aspen Mountain before the gondola opens.

Customised adventure programme includes fly fishing, snowcat skiing, jeep tours, complimentary bikes and

weekly yoga atop Aspen Mountain.

Chair 9 is recognised as Aspen's top apres-ski bar in Winter. Named Chair 9 because Aspen Mountain has eight chairlifts and this serves as the 9th hole, so to speak. The bar opens just as the lifts are closing, featuring DJs daily from 3:30 pm - 7:30 pm, drink specials and a vibrant scene.

The Little Nell offers complimentary transfers to Aspen Airport, the other three areas of the Aspen winter resort- Snowmass, Buttermilk and the Aspen Highlands, and throughout town.

element 47, housing 20,000+ wines in its cellar, has earned the Wine Spectator Grand Award since 1997 and has graduated 10 of North America's 147 Master Sommeliers, including Carlton McCoy, who runs the hotel's wine programme. Guests can tour the famous cellar, meet with The Little Nell's sommeliers and enjoy fine wine in this speakeasy environment, aka the #redlightlounge.

FACILITIES

Two restaurants: Headed up Executive Chef Matt Zubrod, element 47 offers soulful contemporary American cuisine all day and boasts an award winning wine cellar and celebrated sommelier; and slopeside Ajax Tavern with outdoor patio, lead by Sous Chef Anthony Harroun, provides bistro dishes and signature Ajax Double Cheeseburgers, Gruyere fondue and truffle fries.

Four bars/lounges: The Living Room offers an extensive selection of wine, spirits, beer and cocktails, alongside a special bar menu; E47 bar below Ajax provides après ski entertainment with a nightly DJ or live band; mobile champagne pop-up bar, The Oasis, is located in the Aspen mountain and offers Veuve Clicquot and caviar, and Chair 9 is a great après ski lounge.

Health Centre: fully equipped exercise room and three treatment rooms for facials and massage therapies.

Heated outdoor pool and Jacuzzi

Indoor and outdoor event space caters for meetings for up to 95 guests, private dining for up to 200, and receptions for up to 250. The stunning location of the Wedding Deck on the summit of Aspen Mountain has a terraced lawn, seating up to 280 guests.

Ski Concierge provides services including ski waxing, boot dryers, equipment storage, ski tuning and repair. Rental and instruction can also be arranged.

Summer adventure

DID YOU KNOW?

Customised adventure programme includes fly fishing, heli-skiing, snowcat skiing, paddle boarding, jeep tours, complimentary bikes, weekly yoga atop Aspen Mountain and more...

Exclusive ski programmes include 'First Tracks', which enables guests to access Aspen Mountain before the gondola opens. The hotel's Snowcat Academy offers one-on-one instruction or a shared 3 hour lesson on how to command a state-of-the-art Prinoth Bison, a Stage IV/Tier 4 snowcat.

The Little Nell welcomes pets with luxury pet amenities including everything from a gourmet menu to food bowls, pet beds, pet walking and a Puppy Jet Lag kit

Guests can opt to participate in a hotel-wide 'eco-luxe' conservation programme, without compromising luxury. Guests will receive a complimentary organic amenity, fresh Aspen water, reusable water bottles and cruising bikes during spring, summer and autumn. The \$2 per night

donation is supplemented by \$2 by the hotel. The Little Nell is the only 5 star hotel in the US certified to ISO 14001, an internationally recognised third party environmental programme that ensure best practices.

At any time during their stay, guests may take one of the hotel's fleet of Audis for a test drive.

The Oasis champagne bar appears in a different location each weekend. From February to spring, guests can find clues on the secret location by following @TheLittleNell on Twitter or on Facebook.

element 47 is named after 'silver', the precious metal that first put Aspen on the map. The Little Nell is the main run down to the hotel and is itself named after one of the mining tunnels.

The Little Nell offers complimentary transfers to Aspen Airport, the other three areas of the Aspen winter report- Snowmass, Buttermilk and the Aspen Highlands, and throughout town.
