### KEY FACTS

Surrounded by lush green countryside on the edge of a pine forest and positioned between the spectacular Cala Conta and secluded Cala Codolar beaches, Seven Pines Resort Ibiza enjoys a stunning backdrop of the island of Es Vedrá and the azure waters of the Mediterranean Sea.

The village-style resort comprises 186 spacious suites set amongst sprawling gardens spreading across 56,000 sq.m. The stylish open plan one and two bedroom suites are contemporary yet comfortably designed, and can be combined into a four bedroom home.
