The Peninsula Manila

KEY FACTS

The Peninsula Manila is a landmark in the central business district of Makati, situated on the corner of Ayala and Makati Avenues at the heart of vibrant Makati City's finance, lifestyle and entertainment hub. It is within walking distance of top shopping and entertainment destinations Glorietta and Greenbelt Mall, and a 10-minute drive from the new Bonifacio Global City

Manila's dining destination, Escolta, brings a vibrant open-plan kitchen and 'farm to table' concept, serving fresh produce and national favourites. Spices features cuisine from several Asian countries

The hotel, renowned for its luxury and sophistication, is a haven of comfort, exceptional service and fine cuisine. Rooms and suites within the two towers of the hotel are elegantly styled with timeless Filipino elements, featuring locally-sourced, luxurious, natural materials and fabrics, alongside incredible city views

The hotel is the ultimate place in Manila to meet for business and social gatherings as it offers an abundant choice of restaurants, bars and lounges; signature restaurant Old Manila serves Modern European cuisine in its stunning interior, complimented by contemporary Filipino art
