The China Clipper is a dedicated arrival and departure area for helicopter passengers, decorated with vintage aviation memorabilia and photographs.

Freeform art installations feature in every guest room, inspired by Chinese ink paintings and depicting details found in nature's flora and fauna.

The Peninsula Suite, situated on the 26th floor of the hotel, and The Marco Polo Suite enjoy complimentary butler service, a chauffeured Rolls-Royce and two MINI Cooper S Clubman vehicles on call.

Once an open terrace, The Verandah was enclosed in 1950. It also served Hong Kong's first-ever buffet Marijn Coertjens, the hotel's Maitre Chocolatier, is named the world's 'Best Belgian Chocolate Master' at the World Chocolate Masters Competition in 2015.

The Peninsula Hong Kong is famous for its record-breaking fleet of luxury vehicles, including an immaculately restored classic 1934 Rolls-Royce Phantom II, 2 MINI Cooper S Clubmans, all of which have been painted the signature Peninsula Brewster Green and customised with refrigerators and iPod connections.

In 1980, the hotel's nine Silver Shadow IIs were painted in Brewster Green. The deep hue of dignified green is now known at Rolls-Royce as 'Peninsula Green' and appears only on vehicles intended for The Peninsula.
