Lefay Resort & SPA Dolomiti

Lefay Resort & SPA Dolomiti

KEY FACTS

Opened in 2019, Lefay Resort & SPA Dolomiti stands in the fashionable ski area of Madonna di Campiglio and is located in Pinzolo, the largest town in the Rendena valley. The resort is set in the splendid scenery of the Dolomites, a UNESCO World Heritage Site.

The suites have been designed in accordance with the innovative Lefay wellness concept, to capture the sensation of nature through spacious living areas, natural fabrics and local materials including Italian woods, stone and glass, which blend seamlessly with advanced technologies. The luxurious Royal Pool & SPA Suite has spacious rooms and a private wellness area with a dedicated treatment zone, outdoor whirlpool on the terrace and stunning mountain views.

Lefay weaves eco-sustainability, bio-architecture and clean and renewable energy sources into the design of its resorts. In perfect harmony with its surrounding landscape, Lefay Resort & SPA Dolomiti follows the brand's philosophy of reinterpreting the traditional architecture of a place and incorporates natural materials from the local area. Certified by ClimaHotel, it is committed to neutralising energy consumption and using renewable energy sources.

Covering an area of 5,000 sq.m, the Lefay SPA is one of the

largest spas in the Alps. It provides an exclusive and authentic wellness experience through innovative spa practices and unique methods, and offers numerous swimming pools, a blend of Eastern and Western therapies, treatments and health programmes, and a high-end fitness area.

Lefay Vital Gourmet champions the Mediterranean diet and the most authentic flavours of the region, using seasonal ingredients mixed with aromas of the Dolomites for a vital and light cuisine. Emphasis is placed on the health benefits of their cuisine through seasonal organic cuisine and weaves together contemporary tastes with traditional flavours.

The Lefay resort is the perfect base to experience the Dolomites and enjoy its beautiful setting. In winter, glaciers and snow-capped peaks are the ideal destination for skiers of all levels; while in summer the idyllic green mountains provide ideal trails for hikers of every level. Lefay can arrange excursions at any time of year, from discovering the local area and traditions to outdoor activities, making the most of the abundant nature surrounding the resort. Golf players can choose between two nine-hole courses located nearby and adventure enthusiasts can enjoy unforgettable experiences, such as horse riding and mountain biking.

FACILITIES

Dolomia Restaurant: the resort's main restaurant offering a seasonal gastronomic experience throughout the day, combining traditional Mediterranean recipes with contemporary flavours. This distinctive and elegant venue features characterful beams and wooden panels, a glass enclosed wine cellar and large floor-to-ceiling windows, providing magical views of the surrounding Dolomites

Grual Organic Restaurant: fine-dining restaurant serving emotive cuisine for dinner, using ethically sourced and carefully selected produce from organic suppliers in Trentino-Alto Adige. Inspired by an enchanted forest, Grual takes its name from the resort's backdrop mountain. *Opened in December 2019.*

Lounge Bar: A warm and enveloping space offering great cocktails and an excellent selection of international liquors, with an enchanting view over the town.

Sky Lounge: An outdoor rooftop lounge where guests can immerse themselves in the extraordinary beauty of the surrounding peaks, whilst relaxing with a drink in front of the main fire.

Cigar Lounge: An intimate space offering a selection of the best cigars and spirits from all over the world.

Lefay SPA Pools and Saunas: extending over 5,000 sq.m, the spa offers a haven of natural well-being with a heated indoor and outdoor salt-water pool that blends in with the

panoramic landscape, a heated indoor sports training pool, Kneipp path, an ice pool and waterfall. At the epicentre of the spa and the Lefay SPA Method journey is the heated salt-water whirlpool (36°C, 10% salinity, subject to an entrance fee), 9 saunas with different levels of temperature and humidity and six relaxation areas.

Lefay SPA Fitness: a wide gym with natural daylight, equipped with modern Technogym® equipment and fitness studios overlooking the garden, dedicated to breathing, meditation and physical-energetic re-balancing classes.

Lefay SPA treatments: The resort offers a range of customised wellness and beauty programmes as well as stays, tailored to individual needs for a deep and long-lasting result. Treatments incorporate signature Energy massages, Energy Aesthetic rituals, and sensorial journeys inspired by the destination, as well as western massages, treatments and rituals of different Eastern traditions, specific sport massages, aesthetic services and a hair SPA. The Medical Lefay SPA offers special medical consultations in the fields of osteopathy and physiotherapy, and guests can have treatments that use non-invasive aesthetic techniques and tools designed to improve skin blemishes. Rituals dedicated to couples take place in the exclusive Private SPA, which takes inspiration from the surrounding Alpine setting.

Reading Room: A striking area reserved for reading and silence, situated high up in the main part of the resort

Ski & Bike Room: a comfortable and functional ski room offering individual lockers with shelves, a store for skis and drying systems. In summer, the bike room is perfect for storing personal mountain bikes or to use the ones available at the resort. It is possible to rent ski equipment and buy accessories for outdoor activities at the shop.

Lefay SPA Shop: sells the Lefay SPA “Tra Suoni e Colori” natural cosmetic line products for face and body, the new cosmetic certified oils, herbal teas “La Brezza e i Fiori”, the “Home Fragrance” line, Lefay Vital Gourmet extra virgin olive oils and Lefay Style items

Covered garage: with complimentary valet parking service

PRIVATE ROOMS

The Resort features a meeting centre with a large room for groups and a boardroom, both fully equipped with the latest technology and a dedicated foyer. In addition, the Main Restaurant offers a room for events.

The Adamello Room (78 sq.m) with a capacity of up to 64 people theatre style,

features a large private working area. The space benefits from natural light and looks out to the surrounding mountainside.

The Brenta Room (38 sq.m) has a capacity of up to 28 people and is ideal for smaller meetings. It features natural light and a splendid view of the mountains.

DID YOU KNOW?

The Lefay SPA Cosmetic Line “Tra Suoni e Colori” has been created according to the Lefay SPA Method principles. The products, free from added colourings, parabens and preservatives, are “Vegan Ok” and “Cruelty Free” certified, with formulations rich in natural ingredients and tried and tested medicinal plants, helping the skin to breath and rediscover natural beauty.

The resort’s extra virgin olive oils are produced on Lefay’s farms on Lake Garda and in Tuscany. Extra virgin olive oil is an ingredient rich in organoleptic properties and nutritional values and constitutes the main element of the Lefay Vital Gourmet philosophy and the Mediterranean diet.

The resort welcomes only a limited number of children up to 11 years of age in dedicated rooms. There is a Kids’ Club open every day from 11 am to 7 pm.

Some suites have been specifically designed to be dog-friendly and availability of these suites can be confirmed during booking. Only small dogs will be admitted (max 12 kg), travelling with an updated international health

certification showing microchip number and list of vaccinations. Admittance costs are €50 per day, per dog. Dogs are not permitted in the SPA and pool areas.

Lefay SPA Dolomiti offers nine saunas with different levels of temperature and humidity. In addition to the spacious Family Sauna, dedicated to families, five specific circuits have been created in collaboration with the Scientific Committee and according to the Lefay SPA Method principles; The Green Dragon, The Red Phoenix, The White Tiger and The Black Tortoise are the stages taken to rediscover one’s energetic balance.

Thanks to over 150 km of slopes, it is possible to ski from Pinzolo to Madonna di Campiglio with a single pass valid for the entire ski area. The region also includes four snowboard parks and is known for hosting major sports competitions, including the Alpine Ski World Cup.

The resort is open all year round, apart from a 3 week period in April/May.
