## Marbella Club Hotel, Marbella

---

### KEY FACTS

The Marbella Club Hotel is located in the heart of the Golden Mile, only a 5 minute drive or a 15-20 minute walk to Old Town Marbella or Puerto Banús. Marbella enjoys 325 days of sunshine and a mild year round average temperature of 23°C (73°F).

Once the private residence of Prince Alfonso von Hohenlohe, this beach front resort features 115 luxury bedrooms and suites, harmonising with the majestic Villa Del Mar and the 14 Andalusian-Style villas - all surrounded by 42,000 sq.m of subtropical botanical gardens with orange, lemon, avocado, fig and banana trees.

An impressive selection of indoor and outdoor restaurants offering world-class food using the freshest flavours and highest-quality ingredients, overseen by talented chef Juan Gálvez. The latest venue on Marbella Club's food scene is

RUDI's, named after Count Rudi - the original General Manager of the hotel. Guests can enjoy champagne, cocktails and tapas in this timeless Bohemian lounge.

The hotel has a legendary beach club with two outdoor pools, unrivalled service and an impressive international daytime buffet - just steps from the sea.

Wellbeing, spa, nutrition and fitness are the four cornerstones of wellness at the beachside Marbella Club and a naturopath, nutritionist and fitness expert are available to provide guests with expert advice. The spa's philosophy revolves around thalassotherapy through the seawater pool, treatments and rituals, and personalised therapies and lifestyle programmes are available. The renovated fitness centre features leading gym equipment and offers yoga, pilates and meditation classes. Tennis, golf and horse-riding are available nearby.
