Refuge de la Traye, Méribel

KEY FACTS

Airelles has joined forces with Monaco-based hospitality brand, JV PASTOR COLLECTION, on the exclusive mountainside chalet Refuge de La Traye. The Refuge will re-open for the winter season on 12th December as an Airelles-branded all-inclusive private chalet, available for weekly rental.

Created in 1982, and fully remodelled and renovated in 2019, Refuge de La Traye is the superlative Savoyard chalet. Located in a secluded forest setting at 1,650m just outside of Méribel, the Refuge is immersed in nature with views of the Alps and pine forests. Open in both winter and summer, the Refuge will operate as an exclusive-use property, offering an exceptional tailor-made alpine experience, for up to 15 people.

Refuge de la Traye is an eco-luxury alpine home with six elegant bedrooms boasting gorgeous mountain views, a dedicated wellness area, intimate dining room with terrace, cosy lounge with open fireplace, children's playroom stocked with an assortment of age appropriate toys and activities, cinema room, bijou chapel and a fully serviced ski room.

The Refuge is fully staffed with a dedicated team on hand to look after every aspect of the stay; from creating bespoke menus and regional wine tastings in the cellar, to arranging muscle-soothing spa treatments and memorable local experiences such as electric snowmobiles, snowshoeing and zip lining.

Refuge de La Traye will operate on an exclusive all-inclusive basis including all food and beverage, ski hire and ski pass, snowmobile transfer to and from the slopes and a shuttle to Méribel.
