7Pines Resort Ibiza

KEY FACTS

Surrounded by lush green countryside on the edge of a pine forest and positioned between the spectacular Cala Conta and secluded Cala Codolar beaches, 7Pines Kempinski Ibiza enjoys a stunning backdrop of the island of Es Vedrá and the azure waters of the Mediterranean Sea.

The village-style resort comprises 185 spacious suites spread amongst 56,000 sq.m of sprawling gardens, distributed in three areas: the Ibicenco Village, The Laguna and the Cliff. The stylish open plan one and two bedroom suites are contemporary yet comfortably designed, and can be combined into a four bedroom home. The largest suites lend themselves to being a resort within a resort with their lagoon-style swimming pools, private terraces and balconies.

Guests can enjoy culinary delights, healthy cuisine and be able to unwind in a relaxed atmosphere at the resort's two restaurants. The poolside view restaurant provides seasonal healthy local-inspired dishes and Mediterranean sea views; the laid-back Cone Club is open for lunch and

dinner serving Mediterranean-style fare. The Pershing Yacht Terrace, a sophisticated cocktail bar with spectacular sea views is the ultimate location for refreshments throughout the day and evening.

The 1,500 sq.m Pure Seven Spa is home to extensive well-being offerings including relaxing and reinvigorating treatments, outdoor and indoor pools, Jacuzzis, sauna with steam room and ice grotto, a state-of-the-art gym and yoga spaces.

7Pines Kempinski can create an exceptional itinerary for its guests, from diving to beach-hopping, chartered yacht excursions on the resort's private yacht to restaurant reservations and club bookings, best beach recommendations to private jet arrangements, ensuring a memorable Ibizan experience.
